Electric Water Heater - Standards

Electric water heaters must meet the following minimum Energy Factor (EF) requirement to qualify for rebates:

Size (gallons)	Minimum EF	Rebate
30	.95	$100
40	.94	$100
50	.93	$100
60	.92	$100
75+	.91	$100

Upon signing this agreement, customer acknowledges and agrees to the following:
This rebate offer may be discontinued at any time by the City of Ukiah (City) and is available on a first come first serve basis while funds are available. The City reserves the right to inspect all installed equipment. By signing this agreement, customer certifies under penalty of perjury that this information is true and correct under the laws of the State of California. Customer hereby acknowledges that he or she is familiar with, and agrees to, the standards regarding this program. Customer also certifies that the equipment was installed at the address listed on this form within the City's electric utility service territory and is subject to a pre and post installation inspection. Customer agrees to release the City from any liability associated with the selection, installation, or operation of the equipment which was purchased under this program, and recognizes that in no way is the City responsible for the safety or satisfactory performance of this equipment. The City will not accept any liability caused by customer's participation in this program. Customer understands that this information may be shared with other utilities as well as included in various reports. Please allow 8-10 weeks for processing. ***Rebate requests must be submitted within 6 months after purchase.***
