Residential Pool Pump Rebate: \$125
Maximum: 1 rebate every 3 years

(OVER)

Rebate Criteria:

1. Swimming pool must be a permanent fixture with a permanently installed pump, motor, filter and automatic timer.
2. Rebates apply to existing pools only. New construction projects do not qualify.
3. Rebates apply to in-ground pools only. Above-ground pool, spa/water feature, pond, and pool cleaner pumps do not qualify.
4. Replace an existing single-speed pool pump with a new high efficiency variable speed pump (VSP).
5. Variable speed pumps are units that have a variable speed drive which allows the pump to operate at a range of speeds.
6. Replacement pump must be UL listed and installed in accordance with the National Electric Code. All manufacturer installation requirements must be followed.
7. Equipment and materials must meet or exceed all applicable local, state and federal standards.
8. Replacement pump must have a motor that is rated 3 horsepower or less.
9. Replacement pump must be operated with a qualifying controller. Qualifying controller is a programmable controller that can operate the pool pump on at least two speeds and change speeds automatically. Qualifying controller must default to the lowest speed after a normal (24 hour) cycle if temporary override capabilities exist.
10. Replacement pump must be purchased new and paid for in-full. Used pumps, leased/rented pumps, prizes or gifts will not qualify for a rebate.
11. Maximum of one pool pump rebate per household every three years.
