Program Eligibility

- ◆ Single-family and multi-family residences must have a **permanently installed central air conditioner or electric heat system capable of heating or cooling the entire dwelling**. Weatherization rebates apply only to upgrades on existing homes only (not new construction).
- ◆ City of Ukiah reserves the right to inspect completed work. Rebates will be paid only on work that meets City of Ukiah specifications.

Qualifying Energy Efficiency Improvements

The following energy efficiency improvements may qualify for a rebate:

- ◆ Shell insulation (ceiling/attic and wall)
- ◆ Energy efficient replacement windows
- ◆ ENERGY STAR® window shade screens/window films
- ◆ Duct insulation
- ◆ ENERGY STAR roof radiant barrier

(Over)

Upon signing this agreement, customer acknowledges and agrees to the following:

This rebate offer may be discontinued at any time by the City of Ukiah (City) and is available on a first come first serve basis while funds are available. The City reserves the right to inspect all completed work. By signing this agreement, customer certifies under penalty of perjury that this information is true and correct under the laws of the State of California. Customer hereby acknowledges that he or she is familiar with, and agrees to, the standards and specifications regarding this program. Customer also certifies that the work was completed at the address listed on this form within the City's electric utility service territory and is subject to a pre and post installation inspection. Customer agrees to release the City from any liability associated with the selection, installation, or operation of the product which was installed under this program, and recognizes that in no way is the City responsible for the safety or satisfactory performance of this product. The City will not accept any liability caused by customer's participation in this program. Customer understands that this information may be shared with other utilities as well as included in various reports. Please allow 8-10 weeks for processing. **Rebate requests must be submitted within 6 months after installation.**
